Asking Questions

Seeking Answers

Encouraging Curiosity

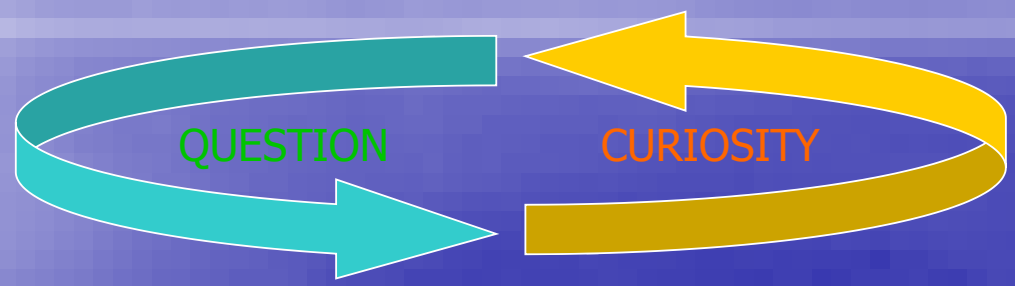

Curiosity

Source of Learning & Fuel for Development

I have no special talents. I am only passionately curious. - Albert Einstein

Importance of Questions

The one real object of education is to have a man in the condition of continually asking questions.
- Bishop Mandell Creighton

Sometimes questions are more important than answers.
- Nancy Willard

Judge a man by his questions, rather than his answers.
- Voltaire

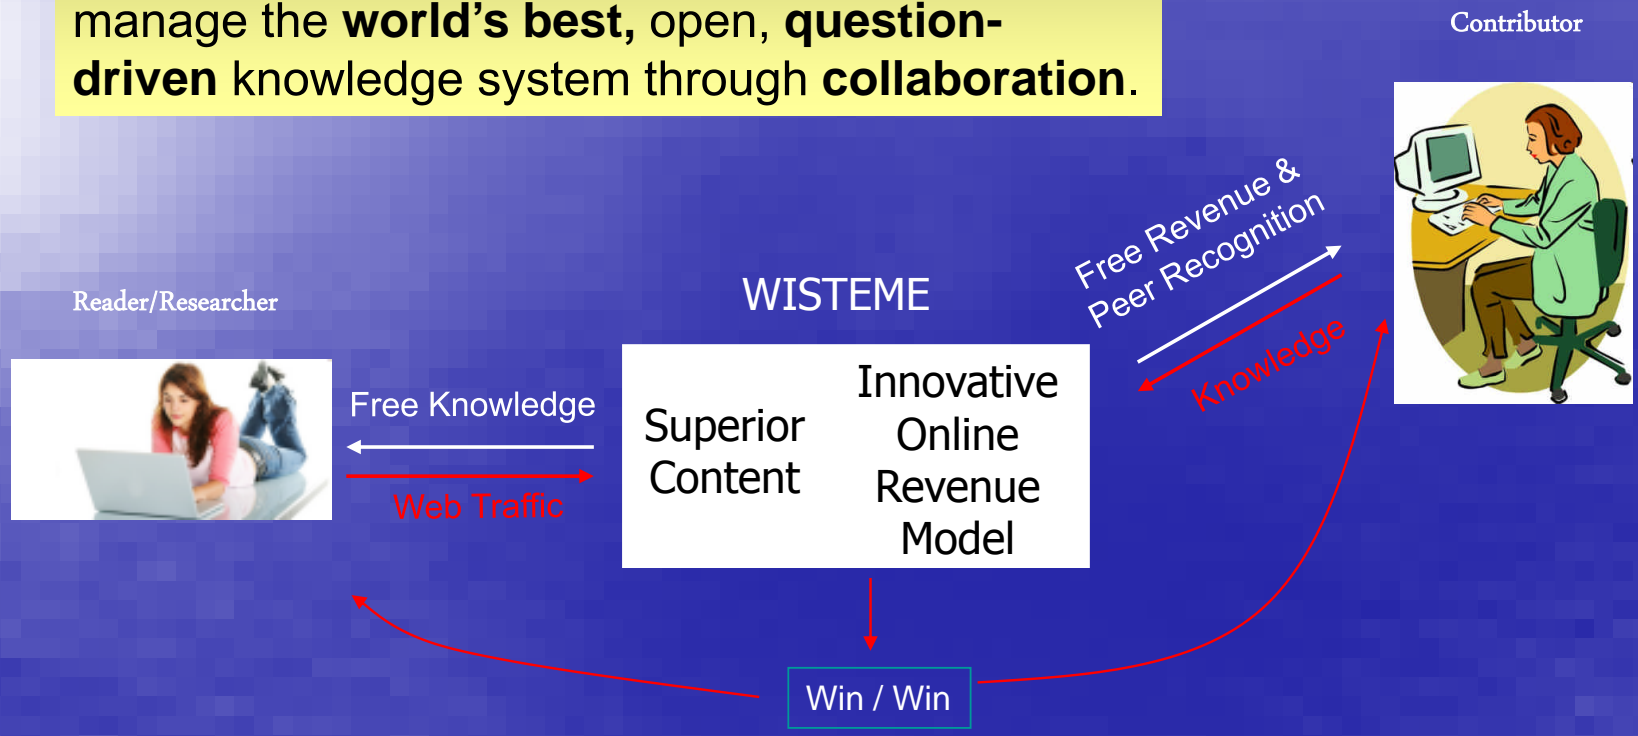

Ideal Platform for Learning

- Ask and share questions.
- Find specific questions easily from a large set.
- Collaborate on providing answers.
- Question and validate the answers.
- Improve the quality of questions and answers.
- Enable teachers to create a learning community.
- Allow teachers to group and organize questions around specific subjects and topics.
- Share and collaborate with no geographic limitations or need for proximity.
- Provide financial reward for contributing questions and answers.

Wisteme

Platform + Content + Community = Value

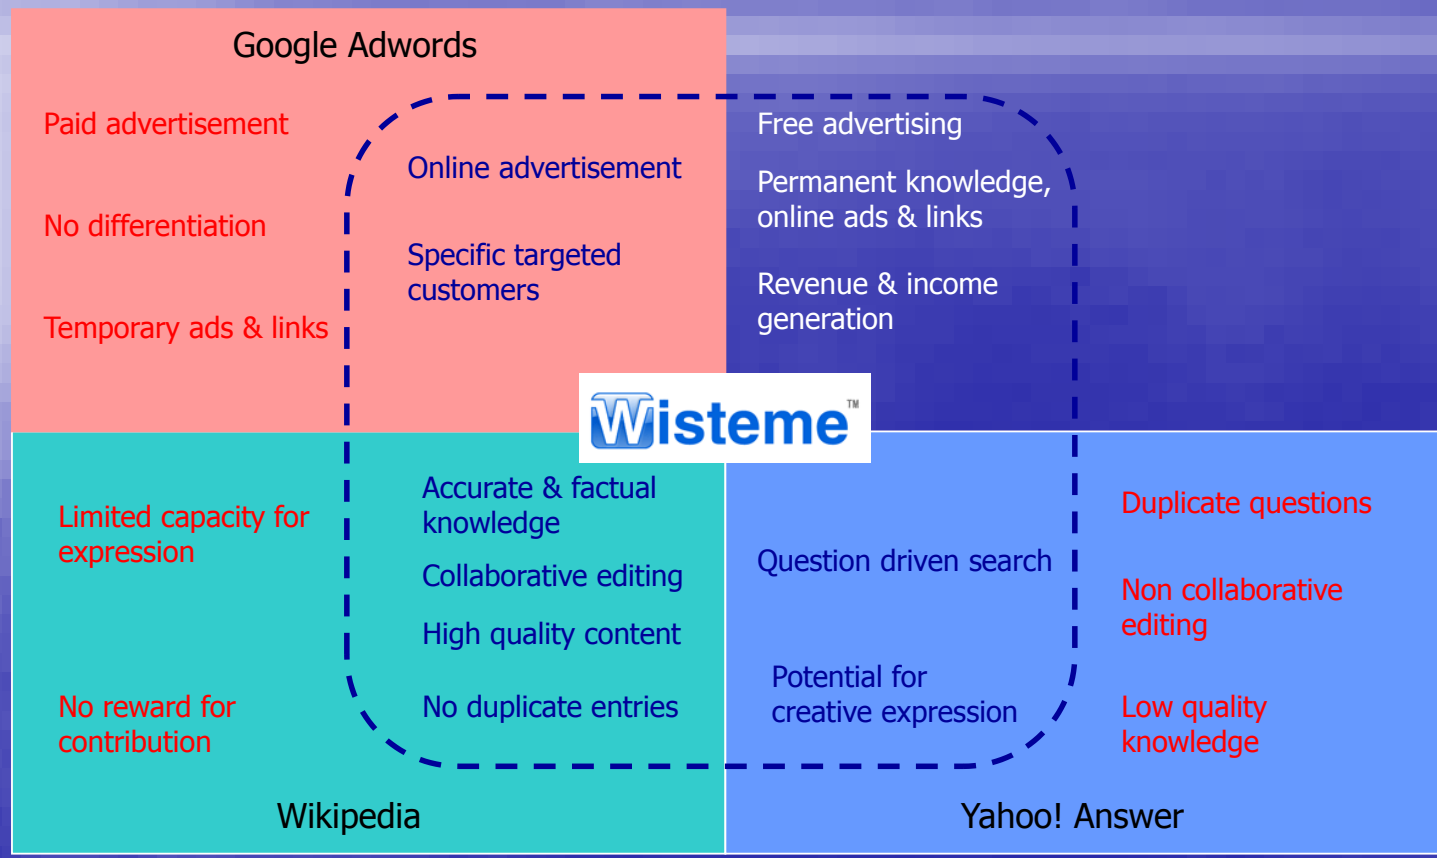

Provides the web-based platform to develop and manage the **world's best**, open, **question-driven** knowledge system through **collaboration**.

Wisteme Features

- Knowledge content creation and improvement is open to everyone.
- Effective content editing notification makes it possible for the community to monitor and collaborate in order to realize high quality knowledge contributions.
- Search process is opened for the user community to improve. This enhanced search makes it easier to find answers to specific questions and minimizes the chances of question duplication.
- Wisteme opens its advertising space for contributors and shares ad revenue for knowledge contributions.
- Users can personalize a subset of the entire knowledge content and manage a list of individual FAQs.
- A group of users with common interests can customize the entire knowledge content and manage group FAQs.

Wisteme = The Blend of Bests

Sample Wisteme Questions

- How did Benjamin Franklin invent the lightning rod?
- Why is ocean color important?
- What are the benefits of microorganisms?
- Can dogs see colors?
- What are the health benefits of different kinds of fruits, vegetables and foods?
- What are some general tips for saving water?
- Can you predict earthquakes?
- How do desert animals deal with heat and dryness?
- What challenges will we face on a manned mission to Mars?
- What are the contributions of American Indians?
- How many times can you reuse your breath before it becomes too toxic?
- Why doesn't the hair on the other parts of the body grow as fast as the hair on your head?

Suggested Uses of Wisteme

- Use Wisteme Community
 - Create Wisteme communities for different learning groups.
 - Collect questions and group them based on topics.
 - Assign groups of questions daily or weekly.

- Teacher-Student Interaction
 - Use group discussion for communication and assignments.
 - Encourage students to ask questions and share them with teachers and fellow students.
 - Let students collaborate on providing answers to the questions.
 - Encourage students to research and improve existing answers.
 - Teachers can provide answers to students' questions or improve existing answers.
 - Invite domain experts to join the community and help answer students' questions.
