

- * Feel the pressure of competition?
- * Need to further grow your business?
- * Have limited marketing budget?
- * Look for effective marketing channel?

Wisteme is the answer for you!

Wisteme provides a unique web-based platform where anyone can collaboratively help to build a high-quality, content-rich, question-driven knowledge system. Its goal is to become your destination for knowledge.

How Wisteme can help my business?

BE A CONTRIBUTOR

One becomes a contributor to the Wisteme system when one asks a question, edits a question, modifies a question attribute, or answers a question. Every time one makes a contribution, one earns a position for free advertisement on that question's display page.

- * Post your existing FAQs
- * Create new questions/answers
- * Monitor and answer users' questions

Free contributor advertisement

- **No payment** - advertisement is one's reward for a contribution.
- **Permanent** - earned free advertisement position is permanent.
- **Targeted** - the advertisement directly targets the users seeking help in your category and domain of expertise.
- **Effective** - one's contribution demonstrates expertise and one's caring for customers, readers, and fellow contributors.
